

Handicraft Fair

Artisan Schedule:

Arrive & setup 9am-9:15am

Cars moved by 9:40am

Artisans Trade: 9:45-10am

Gate opens for guests: 10am

- The Handicraft Fair will be located at Emmanuel Baptist Church in Fallbrook. Sign-up using the BOTH links at the bottom of this page.
- The Fair will be outside on grass, rain or shine. **Bring your own** shade or rain protection depending on the weather.
- **You should arrive to start setting up at 9am, or 9:15 am sharp**
- Each family will be responsible for creating a display their crafts; **you must bring your own tables, stands, easels, etc.** as desired
- Power outlet spots are limited, anyone not signed up on BOTH the AGT calendar AND the perfect potluck sign up sheet will not receive a power outlet
- Typically, items are priced between \$1-\$8, with the occasional item being more than that as necessary.
- Remember to **bring smaller dollar bills for giving change** and buying items from other families.
- **We welcome and encourage artisans who will sell lunch, snack or, drink items.** These items are always a blessing to the families that will be there all day.
- You are welcome to **invite friends and family** to the fair as well.
- There are restrooms on site for our use.
- Artisans will be allowed to “shop” for 15 minutes at 9:45am before the customers arrive at 10am. **Gates will not open for customers until 10am** 😊
- **NEW PARKING PROCEDURES FOR 2024!!** We are hosting on a Saturday in the hopes that more friends and family can attend. This means we are expecting more people. Parking has been tight in recent year, **SO, we are asking that selling families drop off their gear and items, get set up and then move their cars to the surrounding neighborhood streets in order to accommodate our shopping guests.**
- **It is super important that every family clean up extremely well after the fair—EBC has church services the next day. Our ability to have the event on a Saturday is entirely contingent upon our ability to clean up well.**

We Recommend: you share a booth with other family members and members take turns manning the booth. We also recommend that you do NOT set out all your goods at the beginning. Save some for the end.
